

GOD IS OUR HEALER

Memory Verse: **“Jesus said to him, ‘Get up! Pick up your mat and walk.’”** – John 5:8 (KJV)

A man had been lying near a pool for 38 years because he couldn't walk.

The pool was called Bethesda, and people believed its waters could heal them.

But this man never had anyone to help him get in the water.

Then one day, Jesus saw the man and asked, “Do you want to get well?”

The man explained he had no one to help him.

Jesus said, “Get up! Pick up your mat and walk.”

Right away, the man was healed!

Jesus cares about our struggles and wants to help us. We don't always need a special place to be healed—we need Jesus Himself.

Where was the sick man lying? (By the pool of Bethesda)

How long had he been sick? (38 years)

What did Jesus ask the man? (“Do you want to get well?”)

What did Jesus tell him to do? (“Get up, pick up your mat, and walk!”)

What does this story tell us about Jesus? (He is powerful, loving, and helps those in need)

How do you think the man felt after Jesus healed him?

Do you think Jesus can help us when we're hurting?”

Thank Jesus for His power to heal and help us.

Ask Him to help us trust Him and care for others like He does
